ARTICLE III

VILLAGE OF BUCKINGHAM, SECTION II

VILLAS ASSOCIATION, INC.

ARTICLE II

SECTION 4. Classes and Functions. The Villa Association has been formed to perform such functions as may be designated for it to perform under these Protective Restrictions and Covenants and to share on a pro rata basis the costs of snow removal, security patrol, pond and pump maintenance, which services are provided by the Village of Buckingham Homeowners Association for the Village of Buckingham, Section I and Section II, as well as any other association which shares a pro rata portion of such costs, and for the following purposes:

The Villa Association shall have the responsibility to maintain the common areas of the Villas Members' properties as described in these Covenants.

This shall include the removal of snow from driveways, walkways and the

streets in the Villa area, lawn maintenance (to include mowing, fertilizing, weed control and trimming of standard landscaping), a pro rata share of pond maintenance and a pro rata share of the expenses of maintaining the adjacent common areas shared with other Associations as determined by the Board of Directors.

The Villa Association shall not be responsible for maintaining the roof and exterior portion of each dwelling; nor be responsible for the painting, staining, repair or replacement of wood siding of each dwelling; nor maintain the sprinkling or irrigation system maintained on each Lot. The Villa Association shall not be responsible for the repair or maintenance of decks and screened in porches, any concrete on a lot, or yard lights and other exterior lights, including replacement of bulbs, nor for window washing and glass replacement. These shall be the responsibility of the Members.

The frequency and manner of performance of such maintenance shall be determined by the Board of Directors of the Villa Association.

All of the above-described items shall hereinafter be referred to as Common Areas for Purpose of Maintenance. The authorized representatives of the Villa Association and their agents shall be entitled to reasonable access to any Lot of Dwelling Unit as may be required in connection with maintenance, repairs, or

replacements of or to the items deemed as Common Areas for Purposes of Maintenance.

Notwithstanding any obligation or duty of the Villa Association to repair or maintain any Common Areas for Purpose of Maintenance, if, due to the willful, intentional or negligent acts or omissions of a member or of a member of his family or of a guest, tenant, invitee or other occupant or visitor of such Member, damage shall be caused to the Common Areas for Purpose of Maintenance, then such Member shall pay for such damage and such maintenance, repairs, and replacements, as may be determined by the Association, unless loss is covered by the Association's insurance with such policy having a waiver of subrogation clause. If not paid by such member upon demand by the Association, the cost of repairing such damage shall be added to and become a part of the assessment to which such member's Lot is subject.

Notwithstanding the foregoing, the villa Association shall be solely responsible for all maintenance to the Common Areas in the village of Buckingham which are adjacent to State Boulevard.

Dated this 13th day of MAY, 2003.
