2.1.1 To charge reasonable admission and other fees for the use of any recreational facility located in the Common Area.

2.1.2 To suspend the voting rights and right to the use of the recreational facilities in the Common Area for any period during which any assessment against the

2.1.3 To dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Association. Section 3. MEMBERSHIP AND VOTING RIGHTS

3.1 Every Owner shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of a Lot.

3.2 The Association shall have the following two classes of voting membership.

3.2.1 Class A. Class A membership consists of all Owners, except Developer. Class A members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in a Lot, all such persons shall be members. The vote for such lot shall be exercised as its Owners among themselves determine, but in no event shall more than one vote be cast with respect to a Lot.

3.2.2 Class B. Class B membership consists of Developer. The Class B member shall be entitled to a number of votes which Class A members are entitled to exercise plus one additional vote (thereby giving the Class B members control) until such time as Developer no longer owns Lots within Town Square Subdivision and any annexed properties as described below or December 31, 2020, whichever shall occur first. In the event Developer sells all Lots within Towne Square and subsequently annexes additional lands, Developer shall, at that time, receive a number of votes necessary to maintain control pursuant to the formula set forth herein.

Section 4. COVENANT FOR MAINTENANCE ASSESSMENTS.

4.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner, except Developer, by acceptance of a deed for a Lot, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements. Such assessments to be established and collected as provided in these Covenants and the Bylaws. The annual and special assessments, together with interest, costs and reasonable attorney fees, shall be a charge on the land and shall be

a continuing lien upon the Lot against which such assessment is made. Each such assessment, together with interest, costs and reasonable attorney fees, shall also be the personal obligation of the person who was Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

4.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health and welfare of the residents in the Subdivision, and for the improvements of facilities in the Subdivision. In addition, assessments shall be levied to provide for the proportionate burden of the required post-construction water quality features and maintenance of the common retention basin into which the Subdivision's surface waters drain as shown on the Plat.

4.3 Maximum Annual Assessments. Until January 1 of the year immediately following the first conveyance by Developer of a Lot, the Maximum annual assessment shall be Eighty-five Dollars (\$85.00) per Lot. Subsequent assessments may be made as follows:

4.3.1 From and after January 1 of the year immediately following such first conveyance of a Lot, the maximum annual assessment may be increased each year by the Board of Directors, by a percentage not more than 8% above the annual assessment for the previous year, without a majority vote of the Association.

4.3.2 From and after January 1 of the year immediately following such first conveyance of a Lot, the maximum annual assessment may be increased by a percentage in excess of 8%, only by the vote or written assent of a majority of each class of members of the Association.

4.4 Special Assessments for Capital Improvements. In addition to the annual assessments authorized in section 4.3, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of any new construction, or repair or replacement of an existing capital improvement, in the Common Area, including fixtures and related personal property, provided that any such assessment require the vote or written assent of 51% of each class of members of the Association; and provided, further, that no such special assessment for any such purpose shall be made if the assessment in any way jeopardizes or affects the Association's ability to improve and maintain its Common Area, or pay its pro rata share of the cost of maintaining the common retention basin shown on the Plat.

4.5 Notice and Quorum for any Action Authorized Under Subsections 4.3 and 4.4. Any action authorized under sections 4.3.2 and 4.4 shall be taken at a meeting of the Association called for that purpose, written notice of which shall be sent to all members not less than 30 days, nor more than 60 days, in advance of the meeting. If the proposed action is favored by the majority of the votes cast at such meeting, but such vote is less than the requisite majority of each class of members,

members who were not present in person or by proxy may give their assent in writing, provided the same is obtained by an officer of the association within 30 days of the date of such meeting.

4.6 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or yearly basis as the Board may determine.

4.7 Date of Commencement of Annual Assessment/Due Dates. The annual assessments allowed under section 4.3 shall commence as to all Lots then subject to an assessment, on the first day of the month following the recording of these Covenants. The first annual assessment shall be prorated according to the number of months remaining in the calendar year. The Board of Directors shall fix in advance the date the annual assessment is due. Written notice of the annual assessment shall be given to every Owner. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association stating whether an assessment on a Lot has been paid.

4.8 Effect of Nonpayment of Assessments/Remedies of the Association.

4.8.1 Any assessment not paid within 30 days after its due date shall bear simple interest from the due date at the rate of eighteen percent (18%) per annum.

4.8.2 The Association may bring an action at law against each Owner personally obligated to pay the same, and foreclose the lien of an assessment against a Lot. No Owner may waive or otherwise escape liability for the assessments made under the Covenants by non-use of the Common Area or abandonment of a Lot. The lien for delinquent assessments may be foreclosed in Indiana. The Association shall also be entitled to recover the attorney fees, costs and expenses incurred because of the failure of an Owner to timely pay assessments made under this Section 4.

4.9 Subordination of Assessment Lien to Mortgages. The lien of the assessments made under the covenants shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien against it. No sale or transfer shall relieve an Owner or Lot from liability for any assessment subsequently becoming due, or from the lien of an assessment. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer.

Section 5. ARCHITECTURAL CONTROL

5.1 No building, improvement, construction, hot tub or spa, play equipment, fence, wall, in-ground swimming pool, or other structure shall be commenced, erected or maintained upon a Lot, nor shall any exterior addition, change or alteration be made to a structure until the plans and specifications showing the structure's nature, kind,

shape, height, materials and location are submitted to and approved by the Committee in writing as to the structure's harmony of external design and location in relation to surrounding structures and topography in the Subdivision. The Committee shall be composed of three (3) members. However, until such time as Developer assigns its rights to control the Committee or until such time as the Board succeeds to the Committee pursuant to Paragraph 5.3 below, New Development Corp., or another designee of Developer shall be the sole member of the Committee. A majority of the Committee may designate a representative to act for it. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. All single family residential homes will be constructed with at least ten percent (10%) of the front exterior portion consisting of natural materials; example: wood, brick or stone.

5.2 The Committee shall have the exclusive authority and responsibility to review plans for construction of all primary residences in the Subdivision. The Committee may delegate to the Board of Directors (or to such other entity designated in the Articles or Bylaws) the authority and responsibility to review plans for construction of fences and other structures (excluding primary dwellings) in the Subdivision. Such delegation shall be made in writing, signed by a majority of the Committee's members, and delivered or mailed to the Association's registered office.

5.3 After primary residences are constructed on all Lots in the Subdivision, the Board of Directors (or other entity designated under its Articles or Bylaws) shall succeed to the Committee's responsibilities under this section 5 to review subsequent construction, modifications and additions of structures in the Subdivision.

5.4 In the event the Committee (or Board of Directors or other entity acting under sections 5.2 or 5.3), fails to approve or disapprove the design and location of a proposed structure within 30 days after said plans and specifications have been submitted, approval will not be required, and approval under this section 5 will be deemed to have been given.

6.27 Duration of Covenants. These Covenants shall run with the land and be effective for a period of 20 years from the date the Plat and these Covenants are recorded; after which time the Covenants shall automatically be renewed for successive periods of 10 years.

6.28 Amendments. Any provision of the Covenants may be amended, but such amendment is subject to the following requirements and limitations:

6.28.1 Until primary residences are constructed on all Lots in the Subdivision and certificates of occupancy are issued by the Plan Commission for such residences, in order to amend a provision of these Covenants, an amendatory document must be signed by Developer, by the Owners of at least 75% of the Lots in Towne Square Subdivision or any annexed lands. For purposes of this section 6.27.1, the term "Owner" shall have the same meaning with respect to lots in such future sections, as the term "Owner" is defined in section 1.10.

6.28.2 Notwithstanding the provisions of section 6.27.1, Developer and its successors and assigns shall have the exclusive right for a period of two years from the date the Plat and these Covenants are recorded, to amend any of the Covenant provisions (except section 6.2) without approval of any Owners.

6.28.3 In order for any amendment of these Covenants to be effective, the approval of the Plan Commission shall be required.

6.29 Subdivision. No Lot or combination of Lots may be further subdivided until approval for such subdivision has been ordained from the Plan Commission; except, however, the Developer and its successors or assigns shall have the absolute right to increase the size of any Lot by adding to such Lot a part of an adjoining Lot (thus decreasing the size of such adjoining Lot) so long as the effect of such addition does not result in the creation of a "Lot" which violates the limitations imposed under section 1.9.

Section 7. Attorney Fees and Related Expenses. In the event the Association, Developer, an Owner, or the Plan Commission is successful in any proceeding, whether at law or in equity, brought to enforce any restrictions, covenant, limitation, easement, condition, reservation, lien, or charge new or subsequently imposed by the provisions of these Covenants, the successful party shall be entitled to recover from the party against whom the proceeding was brought, the attorney fees and related costs and expenses incurred in such proceeding.

Plans and specifications for the Subdivision approved by and on file with the Plan Commission require the installation of concrete sidewalks within the street rights-of-way in front of all Lots as shown on the approved plans. Installation of such sidewalks shall be the obligation of the Owners of those Lots (exclusive of Developer). The sidewalk to be located on a Lot shall be completed in accordance with such plans and specifications prior to the issuance of a certificate of occupancy for such Lot. A violation of this Covenant is enforceable by the Plan Commission or its successor agency, by specific performance or other appropriate legal or equitable remedy. Should a certificate of occupancy be issued to Developer for a Lot on which a

sidewalk must be constructed, Developer shall be considered as an Owner subject to enforcement of this Covenant with respect to that Lot.

10.1 Right of Annexation. From time to time, and without requirement of consent by the Owners, Members, or the Association, Developer may annex all or portions of the Additional Property by recording a Declaration of Annexation meeting the requirements hereinafter set forth. Developer shall have no obligation to annex any Additional Property and no such obligation shall be inferred from any provision hereof.

10.2 Declaration of Annexation. The Declaration of Annexation shall be recorded in the public records of Allen County and shall:

- (1) Describe the property to be annexed;
- (2) Declare that the property so described is annexed pursuant to the provisions hereof;
- (3) Provide an assessment allocation for each annexed Lot, and with respect to each Lot:
