Section 3. Classes of Membership. The Association shall have two (2) classes of voting membership:

Class A. Class A members shall be all Owners, together with all other lot owners in the Subdivision, exclusive of the Developer. Owners shall be entitled to one (1) vote for each Lot owned.

Class B. The Class B member(s) shall be the Developer, and shall be entitled to three (3) votes for each Lot owned, in the Subdivision. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) when title to all lots in all sections of the Subdivision has been conveyed, or
- (b) on December 31, 2010.

Section 4. Membership Transfer. Membership in the Association will transfer from the Developer or its successor in interest to the Owner upon delivery of the Deed to Owner's Lot.

Section 5. Continuing Memberships. The Owner of any Lot shall continue to be a member of the Association so long as such Owner continues to be the Owner of a Lot for the purpose herein mentioned. Membership shall pass with the transfer of title to the Lot.

Section 6. Transfer of Membership Rights and Privileges in the Association. Each Owner, and in lieu thereof (and with the written consent of such Owner to the Association), each lessee of a Lot shall be a member of the Association and have the right to the Owner's vote and privileges. Membership, where assigned to a lessee, will pass with the lease, except if the Owner withdraws his consent in writing to the Association. The Owner may withdraw his membership assignment to any lessee in his discretion by issuing a sixty (60) day notice in writing to the Association. No assignment of membership shall relieve an owner of the Lot from the obligation to pay any assessment authorized by these Restrictions.

Section 7. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments; (2) special assessments; (3) Club assessment (if applicable); and (4) Tax Recoupment Assessment. Such assessments shall be established and collected as hereinafter provided. The annual, special, Club and Tax Recoupment assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge and a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 8. Purpose of Annual Assessments. The annual assessments levied by the Association shall be used exclusively to promote the recreation, health, and welfare of the Owners in all subdivisions of Orchard Place, including, but not limited to, the improvement and maintenance of the Common Area, maintenance of street lighting, maintenance of the sprinkling system situated on the Common Area, storm water detention basins, outlet pipes and water level control structures, and removal of snow and ice from the streets.

Section 9. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred Dollars (\$100.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may not be increased each year more than eight percent (8%) above the maximum annual assessment for the prior year, without the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

(b) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum without the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 10. Special Assessments. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, (1) the cost of any construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; (2) any budget shortfalls; or (3) emergency need of the Association, provided that any such assessment shall have the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 11. Notice and Quorum for Any Action Authorized Under Section 9 and 10. Any action authorized under Sections 9 and 10 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite fifty-one percent (51%) of each class of members, members who were not present in person or by proxy may give their assent in writing, providing the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 12. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or yearly basis, as the Board of Directors may determine from time to time.

Section 13. Date of Commencement of Annual Assessments: Due Date. The annual assessments provided for herein shall commence as to all Lots (excepting Lots owned by the Developer) on the date of the original recording of these Restrictions with the Recorder of Noble County. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot for each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 14. Tax Recoupment Assessments. In addition to all other assessments provided for in this Article, the Association may levy in any assessment year, an assessment ("Tax Recoupment Assessment") applicable to that year only for the purpose of defraying, in whole or in part, any cost or expense incurred by the Association in the form of a tax, and/or penalty and/or interest on a tax imposed upon, assumed by or assessed against the Association or its properties, and arising out of or in any way related to the acceptance of title to, the ownership of and/or operation or maintenance of any plant or equipment (including utility lines, lift stations and other property) for the transmission, delivery or furnishing of water, or for the collection, transmission and disposal of liquid and solid waste, and sewage, and/or the ownership of any real estate or easements or other rights with respect to real estate owned and/or possessed in connection with such plant or equipment.

Section 15. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment (Annual, Special, or Tax Recoupment) not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. In any successful action, the Association shall be entitled to recover all of its costs and expenses, including attorney's fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.

Section 16. Subordination of the Lien to Mortgages. The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien for such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

(a) The Board of Directors of the Villaminium Association shall establish a budget for each calendar year and shall determine the annual maintenance assessment and method of payment required to meet such budget. Such budget and assessment for each such calendar year shall be established by the Board of Directors of the Villaminium Association. The Board of Directors shall mail to all Villaminium Association members a copy of said budget and notice of the ensuing year's assessment.

ARTICLE VI

Maintenance of Building Exteriors

Section 1. Building Exteriors. Landscaping and General Maintenance. The Villaminium Association will maintain the roof and exterior portion of each Dwelling Unit in good condition and repair, including painting, staining, repair and replacement of wood siding as necessary, removal of snow from driveways and sidewalks, and maintain the lawn and landscaping on each Lot. The Villaminium Association will maintain the lawn sprinkling system situated on the Lots. The frequency and manner of performance of such maintenance shall be determined solely by the Board of Directors of the Villaminium Association. The Villaminium Association shall not be responsible for the repair or maintenance of decks and screened-in porches, any concrete on a Lot, or yard lights and other exterior lights, including replacement of bulbs, nor for window washing and glass replacement. The Board of Directors of the Villaminium Association may, at its option by appropriate resolution, transfer to each Lot Owner the maintenance responsibility for that portion of the lawn and/or landscaping on each Lot which was not initially installed or planted by the Developer. Each Lot Owner shall be permitted to perform or cause to be performed at the Owner's sole expense, maintenance or repairs on the exterior of any dwelling on his Lot which would otherwise fall within the maintenance responsibility of the Villaminium Association hereunder, subject to prior written approval from the Architectural Control Committee.

Section 2. Other Maintenance. Except to the extent of the Villaminium Association's responsibility for maintenance and repair as above provided, each Owner shall at his sole cost and expense maintain and repair his Lot and the improvements situated thereon, keeping the same in good condition and repair, including those items specifically excluded from the Villaminium Association's responsibilities and any other maintenance and repair responsibilities not expressly included among such responsibilities, as set forth above. In the event any Owner shall fail to maintain and repair his Lot and the improvements thereon as required hereunder, the Villaminium Association, in addition to all other remedies available to it hereunder or by law and without waiving any of said alternative remedies, shall have the right, through its agents and employees to enter upon said Lot and to repair, maintain and restore the Lot and the exterior of the dwelling units and any other improvements erected thereon; and each Owner (by acceptance of a Deed for his Lot) hereby covenants and agrees to repay to the Villaminium Association the cost thereof immediately upon demand. Such costs incurred and demanded by the Villaminium

Association, together with interest, costs and reasonable attorney's fees, shall have the same status as both a continuing lien on the Lot and improvements and the personal obligation of the Owner as an assessment and the Association shall have the same remedies as made under Article V, Section 11 hereof, and the failure of any such Owner to pay the same shall carry with it the same consequences as a failure to pay such an assessment when due.

Section 3. Maintenance Easements. The Villaminium Association and the Owner of any Lot whose dwelling is constructed up to or within nine (9) feet of an interior Lot line shall have an access easement over a portion of the adjacent Lot which shall be five (5) feet in width measured from said Lot line, for the entire length of said Lot line separating the two Lots, for purposes of maintaining, replacing, and repairing the exterior of the dwellings so located. This access easement shall extend to the agents, employees, and independent contractors of either the Villaminium Association, the Owner, or both. Any damage to an adjacent Lot or landscaping on an adjacent Lot shall be repaired at the expense of the Villaminium Association, the Owner, or their respective agents, employees or independent contractors utilizing this easement.

Each Owner shall also have a permanent easement permitting roof structure which overhang and encroach upon the adjoining servient Lot, provided that construction of such roof structure is permitted and approved as elsewhere herein provided.

Section 4. Utility Easements. Easements are hereby expressly reserved and dedicated with dimension, boundaries, and locations as designated on the plat for the installation and maintenance of public utilities (including, but not limited to water, gas, telephone, electricity, sanitary sewer, cable television, storm drainage facilities, and any other utilities of a public or quasi-public nature).

Any utility company and Developer, their successors and assigns, will have the right to enter upon said easements for any lawful purpose. All easements shall be kept free at all times of permanent structure except improvements installed by Developer, or an authorized utility and removal of any obstruction by a utility company shall in no way obligate the company to restore the obstruction to its original form. The utility will restore any improvement installed by Developer or other authorized utility.

The utility operating the sewer lines and sewage disposal facilities of said section shall have jurisdiction over the installation of all sewer connections and the same shall be installed to property lines of each Lot by the Developer or its successor in interest.

ARTICLE VII

All easements for public and municipal utilities and sewers as dedicated on the face of the plat shall be kept free of all permanent structures and any structure, shrubbery, trees, or other installation thereon, whether temporary or permanent, shall be subject to the paramount right of the entities for which such easements are intended to benefit, to install, repair, maintain or replace their utility or sewage facilities. The removal of any such obstructions by utilities or sewage treatment works shall in no way obligate them in damages or to restore the obstruction to its original form. The Association may assess and collect such reimbursement in the same manner as it assesses and collects yearly assessments pursuant to Article IV, above, and such amounts shall become a lien upon the Lot and be subject to the same collection rights and remedies granted to the Association in Article IV.

Section 10. Landscaping. All shrubs, trees, grass and plantings of every kind shall be kept well maintained, properly cultivated and free of trash and other unsightly material. Landscaping shall be installed no later than one hundred eighty (180) days following occupancy of or completion of the Dwelling Unit, whichever occurs first.

Without limiting any of the foregoing, no exterior lights, the principal beam of which shines upon portions of a Lot other than the Lot upon which they are located, or which otherwise cause unreasonable interference with the use and enjoyment of a Lot by the occupants thereof, and no speakers, horns, whistles, bells or other sound devices, shall be located, used or placed on a Lot which are audible, except security devices used exclusively for security purposes which are activated only in emergency situations or for testing thereof.

Any Owner using Common Area owned by the Association for the purpose described in Section 20.1 agrees to be responsible for and shall indemnify and hold the Association harmless from and against all claims, losses, damages, and judgments (including reasonable attorney fees and litigation expenses) caused by, or resulting from, the Owner's use of Association property in connection with the Systems.

Section 21. Use of Public Easements. In addition to the utility easements herein designated, easements in the streets, as shown on this Plat, are hereby reserved and granted to the Developer, the Association and any public or quasi-public utility company

engaged in supplying one or more of the utility services contemplated in Sections 7 and 8 or this Section 21 of Article VII, and their respective successors and assigns, to install, lay, erect, construct, renew, operate, repair, replace, maintain and remove all and every type of gas main, water main and sewer main (sanitary and/or storm) with all necessary appliances, subject, nevertheless, to all reasonable requirements of any governmental body having jurisdiction thereof as to maintenance and repair of said streets.

Section 22. Sanitary Sewer Restrictions. No rain and storm water runoff or such things as roof water, street pavement and surface water, caused by natural precipitation, shall at any time be discharged into or permitted to flow into the Sanitary Sewage System, which shall be a separate sewer system from the Storm Water and Surface Water Runoff Sewer System. No sanitary sewage shall at any time be discharged or permitted to flow into the above-mentioned Storm Water and Surface Water Runoff Sewer System.

Section 23. Improvements. Before any Dwelling Unit on any Lot in this Subdivision shall be used and occupied as a dwelling or otherwise, the Developer or any subsequent Owner of such Lot shall install improvements serving such Lot as provided in the plans and specifications for such improvements filed with the appropriate governmental authorities, together with any amendments or additions thereto which said governmental authorities may authorize or require. This covenant shall run with the land and be enforceable by any governmental authority having jurisdiction over the Subdivision, by the Association, or by any aggrieved Lot Owner in this Subdivision.

Section 24. Permits and Certificates. Before any Dwelling Unit located on any Lot may be used or occupied, such user or occupier shall first obtain from the City of Kendallville Building Inspector/Director of Planning and Zoning an Improvement Location Permit and a Certificate of Occupancy as required by the Zoning Code of the City of Kendallville.

Section 25. Pools and Hot Tubs. No above ground pool, spa or hot tub, regardless of size, shall be placed or maintained on any Lot. No improvement which has partially or totally been destroyed by fire or otherwise, shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage.

Section 31. Single Owner Contiguous Lots. Whenever two (2) or more contiguous Lots shall be owned by the same person, and such Owner shall desire to use two (2) or more of said Lots as a site for a single Dwelling Unit, said Owner shall apply in writing to the Architectural Control Committee or Board of Directors of the Association for permission to so use said Lots. If permission for such a use shall be granted, the Lots constituting the site for such single Dwelling Unit shall be treated as a single Lot for the purpose of applying these Restrictions to said Lots, so long as the Lots remain improved with one single Dwelling Unit. Notwithstanding the foregoing, each of the Lots constituting the site for such single Dwelling Unit shall remain as individual Lots for purposes of all assessments permitted by the terms of these Restrictions. As such, the Owner will be assessed for each Lot used as a site for a single Dwelling Unit.

Section 32. Enforceability. The Association, the Villaminium Association, any Owner, and the Developer shall each have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these Restrictions. Failure by the Association, the Villaminium Association, or the Developer to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter, and shall not operate to deprive an Owner from enforcing said covenant or restriction.

Section 33. Right of Entry. The Developer, the Architectural Control Committee, the Villaminium Association, and the Association, acting through their respective representatives, shall have the right, during reasonable hours, to enter upon and inspect the Lot and Dwelling Unit, whether prior to, during, or after the completion of, any construction, for purpose of determining whether or not the provisions of these restrictions are being complied with and exercising all rights and powers conferred upon the Developer, the Architectural Control Committee, the Villaminium Association, and the Association with respect to the enforcement or correction or remedy of any failure of the Owner to observe these restrictions, and the Developer, the Architectural Control Committee, the Villaminium Association, and the Association and such representatives shall not be deemed to have committed a trespass as a result thereof. Notwithstanding the foregoing, an occupied Dwelling Unit may not be entered hereunder unless written notice

of such proposed entry shall have been given to the Owner at least five (5) days prior to such entry.

Section 34. Partial Invalidation. Invalidation of any one of these Restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 35. Covenants, Restrictions and Extensions. The covenants and restrictions herein contained shall run with the land, and be effective for a term of twenty (20) years from the date these Restrictions are recorded, after which time they shall automatically be extended for successive periods of ten (10) years; provided these Restrictions may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners, and provided further, the Developer, its successors or assigns shall have the exclusive right for a period of two (2) years from the date of recording of these Restrictions to amend any of the Covenants and Restrictions.

Section 36. Subdivision of Lots. No Lot or combination of Lots may be further subdivided unless seventy-five percent (75%) of the Lot Owners have approved by signing an instrument of approval and until said approval has been obtained from the Kendallville Plan Commission.

Section 37. Exterior Building Surfaces. All exterior building surfaces, materials and colors shall be harmonious and compatible with colors of the natural surrounding and other Dwelling Units. The Architectural Control Committee shall have the right to approve or disapprove materials and colors so controlled.

Section 39. Fires. No outdoor fires for the purpose of burning leaves, grass or other forms of trash shall be permitted to burn upon any street roadway or Lot in this Subdivision. No outside incinerators shall be kept or allowed on any Lot.

Section 40. Cost and Attorney's Fees. In the event the Association, the Villaminium Association, or Developer is successful in any proceeding, whether at law or in equity, brought to enforce any restriction, covenant, limitation, easement, condition, reservation, lien, assessment or charge now or subsequently imposed by the provisions of these Covenants, they shall be entitled to recover from the party against whom the proceeding was brought, the attorney fees and related costs and expenses incurred in such proceeding.

Section 41. Annexation. Additional properties may be annexed by Developer and made subject to this Declaration. Said additional properties may be developed for

condominiums, villas and single family residences. Said annexation may be perfected without the consent of the Owners.

A SUBDIVISION OF WAYNE TOWNSHIP, NOBLE COUNTY, INDIANA**

L.D. Article VI, Section 1, shall be amended to the following:

Such costs incurred and demanded by the Villaminium Association, together with interest, costs and reasonable attorney's fees, shall have the same status as both a continuing lien on the Lot and improvements and the personal obligation of the Owner as an assessment and the Association shall have the same remedies as made under Article V, Section 11 hereof, and the failure of any such Owner to pay the same shall carry with it the same consequences as a failure to pay such an assessment when due.
